

California Society of CPAs and San Fernando Valley Bar Association Wine Reception

On Wednesday, October 22, the San Fernando Valley Business Journal hosted a networking reception in partnership with the California Society of CPAs and the San Fernando Valley Bar Association. Special thanks to presenting sponsors BNY Mellon Wealth Management and Community Bank, as well as our four event sponsors Lewitt Hackman, Moss Adams LLP, South Coast Winery Resort & Spa and Xero for helping to create an impactful event where local professional service firms were able to mingle, make new contacts and create referral sources.
